Wyoming Room

As 2025 is the 50th-year anniversary of our building here at the Sheridan County Fulmer Public Library, we have embarked on a project to dive into our library history, organizing it officially for the first time. Can you recognize the Wyoming Room in these two photos from the past?

1974 - the 'Children's Room'
current site of the Wyoming Room.

1995 - The Wyoming Room

Visiting patrons are rediscovering the treasure trove of our extensive clippings files, which date back to 1965. Are you in search of biographical information on individuals from Sheridan County or details about both old and new businesses? We also maintain general clippings files on a wide range of Sheridan County topics from A to Z.

Whether your interests include cattle ranching, the WWII bomber crash, polo in Big Horn, or the history of our county schools, we invite you to come in and peruse our collection. This Spring, our bird and wildlife files have been particularly popular, featuring a stunning array of digital images showcasing local hummingbirds and other Wyoming wildlife, generously photographed and donated by Rod Adams and Ned Batchelder.

Patron Highlight

RAY CALENTINE

Ray was born in Ohio before moving out here as a child, he is a poet, served in the Navy, and has been a lineman, missionary, and pastor. He has a wife, Jennie, 2 children, 5 grandchildren, and 2 great grandchildren.

DID YOU KNOW:

DID YOU KNOW THAT WE HAVE BOOKS BY LOCAL AUTHORS FROM SHERIDAN COUNTY, AND AUTHORS FROM ACROSS WYOMING? FICTION, NONFICTION, LOCAL HISTORY, PICTURE BOOKS, AND MORE!

How long have you been visiting the Library?

I got my first library card from the old Carnegie Library on Loucks.

How has the library impacted your life?

I have almost a magnetic attraction to the library. I've volunteered over 400 hours in the Wyoming Room and visit almost daily. In my opinion, it's one of the best research libraries on the American West in the country. I've learned about so many important people from Sheridan County.

What are your favorite types of books?

Christian literature, books on writing, and biographies.

Do you have a favorite book or Author?

Excluding scripture, I really like *Life's Little Instruction Book: 511 Suggestions, Observations, and Reminders on How to Live a Happy and Rewarding Life* by H. Jackson Brown.

What book are you currently reading?

Monty Walsh by Jack Schaefer, a story about a cowboy at the turn of the century.

Friends of The Library News

Summer is flying in, and the Friends are ready to jump right in. Look for the Friends around town this summer, starting with June Third Thursday. Stop by, say hi and learn all about the Friends and what the libraries are doing this summer. We will also be gearing up for WyoGives in July, which is our largest fundraiser of the year. We are working on posting "Do you knows" about the library on our social media so make sure you are following us to get all of the latest facts and information.

The Friends of the Library Board is looking for new members who are interested in supporting our county libraries. We serve all four library branches, including Story, Clearmont, Tongue River, and Fulmer. We volunteer, attend library events, create opportunities to show library staff how much they are appreciated, fundraise, purchase the books handed out to children during the Summer Reading Program, communicate with the Library Director about pressing issues facing the library system, and so much more. If you are interested in joining, please join us at one of our meetings, the second Tuesday of every month at 5:30pm.

If you have any questions, please do not hesitate to contact us at friends@sheridanwyolibrary.org.
